**Kim Thittichai : Reclaimed Textiles: Techniques for Paper, Stitch, Plastic and Mixed Media** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reclaimed Textiles: Techniques for Paper, Stitch, Plastic and Mixed Media:

3 of 3 people found the following review helpful. Grest for mixed-media lovers By Sheila Ary I enjoy this author's books, and I found this one interesting, but I was not inspired this time by the author's ideas. I think that is because I am not a mixed-media person. For artists who prefer mixed-media I think there would be a lot of inspiration here. It is well illustrated, and has plenty of suggestions, but not for me 0 of 0 people found the following review helpful. Lovely

book, full of ideas and inspirations. By violet Lovely book, full of ideas and inspirations. 0 of 0 people found the following review helpful. Reclaimed Textiles. Terrific book, Great price. By possum I was buying another textile book on , when I saw Reclaimed Textiles at such a terrific price, I just had to buy it. Very happy with the book, interesting ideas to try. Terrific book, Great price and arrived at estimated time.

Whether you want to be thrifty and green, or to add a sense of heritage to your work, incorporating old bits of paper, fabric, plastic, and packaging can lead to stunning textile art. Kim Thittichai takes crafters through a range of innovative techniques for reclaiming and recycling, from collage to rag-rugging, giving each style a unique twist. Every chapter includes a step-by-step project for beginners along with new ideas for experienced textilers, and showcases the work of the best textile artists working today.
