Joan Shay : Redwork Embellished before purchasing it in order to gage whether or not it would be worth my time, and all praised Redwork Embellished:

0 of 0 people found the following review helpful. Five StarsBy colleen petermanvery satisfied1 of 1 people found the following review helpful. redwork embellished bookBy L.A. MeronekWhat you see on the cover is what you get, nothing more. The beginning of the book crushes any more interest in the book and mine headed straight to the recycling pile.1 of 1 people found the following review helpful. I was expecting more.By P. I. PatI thought there would be several embellishing ideas, so the book covered what was presented well, my preconceived idea of what I would learn left me wanting.

Take historic outline embroidery to a twenty-first century level. Redwork and its lesser-known sisters, blue-, black-, gold-, and greenwork are fresh for the modern era in Joan Shay's updated, embellished presentation. Combine light,

lovely pattern designs with simple embroidery stitches and fun, easy Appli-bond three-dimensional work. Redwork Embellished gives quilters a new tool for jazzing up everything from pillows to wallhangings. Choose from 13 projects featuring flowers, single-color themes, multicolored designs, and more. Combine them to start a medallion center for a full-size quilt, or scatter individual designs throughout your home for bright bursts of color.

About the AuthorJoan Shay has written three books for AQS and developed the Appli-bond Petal Play Way long before 3-D embellishment was all the rage. A nationally known and well-loved quilt instructor, she lives in Summerfield, Florida.
