Laurene Sinema : Redwork In Blue: Quilting, Stitchwork, and Embroidery before purchasing it in order to gage whether or not it would be worth my time, and all praised Redwork In Blue: Quilting, Stitchwork, and Embroidery:

1 of 1 people found the following review helpful. Very good for my needsBy RRISLovely, lovely. Does include some VERY LARGE versions of some pictures! I understand the difficulties in doing so, however it still would be nice if there were a way to have at least some of the pictures in an iron-on format.Love some of the suggested uses, such as white thread embroidery on solid colored background fabric, in the book it's blue but of course could be any color.With the wide range of sizes and pictures, I'll be using more of this book than I have many others, that often mostly have quite small pictures, usable really only on 3"-4" blocks.0 of 0 people found the following review helpful. Five StarsBy Kindle CustomerLovely book0 of 0 people found the following review helpful. very happy with this purchaseBy ShirleyItem came as advertised; very happy with this purchase.

This colonial craft is revived here with charming patterns for pillows, quilts, towels, wall hangings and more!

About the Author Laurene Sinema has owned and operated The Quilted Apple, a wonderful quilt shop in Phoenix for over 20 years. A noted author and designer, her forte is applique and redwork.
