Just two years ago Dutch Master Designer and California resident Ren van Rems, AIFD, published his first book, "Ren Bouquets", to accommodate his presentations and teaching. Thousands have been inspired by the Euro-techniques and styles he portrays in this full color, high definition, Spanish/English language coffee table issue. Ren showcases four simple techniques for hand-tying fresh flower bouquets whether for a vase or a bride to carry. This "how-to" guide, the second edition, is a must have for bridal consultations, the design room, or any flower and garden lovers' coffee table or library. This Amazon 5 star rated edition is highly artistic yet realistic in concept and for everyday budgets. Este libro contiene texto Español y Ingles.
