**Dariusz Karnas : Republic P-47B-D Razorback: Scale Plans** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Republic P-47B-D Razorback: Scale Plans:

0 of 0 people found the following review helpful. Perfect for model builders! By Robert P. Dyer Being a model builder of the 47, I'll find this VERY useful. All drawings very clear and precise, even include drawings of the G model dressed in skis. Well worth the money, very pleased I purchased this.

Scale plans in 1/72, 1/48 and 1/32 of P-47 Razorback variants. Versions P-47B, C and D are shown.
