Evelyn Haertig : Restoring Collecting Antique Beaded Purses before purchasing it in order to gage whether or not it would be worth my time, and all praised Restoring Collecting Antique Beaded Purses:

BOOK SPECIFICATIONS: 216 pages, 8.5" x 11", art quality paper though out, hard bound, 250 beautiful color photographs,, smythe sewn, Bibliography indexSo many collectors requested additional information regarding restoring antique beaded purses during Evelyn's restoration workshops and museum lectures, that she wrote her third and final book, Restoring and Collecting Antique Beaded Purses.As the title suggests, this book is primarily concerned with restoration techniques in addition to solid suggestions for assembling a collection which will appreciate in value over the years. This is not a how-to, step-by-step book, but it is filled with practical tips for restoring old, damaged purses. Following these tips along with practice and experience will take you toward good restoration.
