It brings back childhood memories of being delighted to receive a Valentine's card at school! Each illustration is different and are adorable vintage cards. Colored pencils work best. The paper is okay with some Tooth. I had fun coloring Jr Cowpoke n his horse, Little Blue. Please check out other coloring books by Ms Davenport. Now, I'd like to know where's the sugar candy that goes with the card. Sweet Coloring, everyone.

great subject matter in images, takes readily to Prismacolor pencils, not so good with markers.
