JensenA wonderful book just the right size to carry with your project while traveling, a great resource for stitches.0 of 0 people found the following review helpful. Love itBy bookalot23I do love this little book. Lots of great ideas and the instructions are great, making them easy to produce. Photos are great. Great addition to an embroidery library.0 of 0 people found the following review helpful. Small but filled with informationBy DeeI choose this book to add to my collection of ribbon embroidery books. It's small size makes it easy to use anywhere. I have made several projects and recommend it especially to beginners.

the book has step-by-step diagrams
