Finn Graves : Rich Off My Doodles before purchasing it in order to gage whether or not it would be worth my time, and all praised Rich Off My Doodles:

1 of 1 people found the following review helpful. A must-read for those clever enough to decipher cryptic cursive handwritingBy CustomerFinn Graves illustrates perfectly the doldrums of Portland in the winter, traipsing through daydreams of trainhopping adventures and the delights of cozy lovers, but rooted in the chill grey wintry fog of the Pacific Northwest climate.

Rich Off My Doodles follows the adventures, life lessons, secrets and setbacks of two nomadic women who fall in love and get stuck between places for a long, Portland winter.This is a compelling, feminist art zine about being in love at all costs.Being in love with each other as flawed human beings, even though it sometimes feels like everything else is out to kill them.They are compellingly in love, with art and healing, with the paradoxes of daily living, and in

spite of the long term struggle with depression one of them cannot seem to shake.

About the Author Finn Graves is a Pacific Northwest Illustrator, comic artist and writer. For more Finn Graves check these out: <https://www.instagram.com/finn Graves/> <http://finn Graves studioshots.tumblr.com>
