Justin J. Countee : Robot Runway Fashion Coloring Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Robot Runway Fashion Coloring Book:

1 of 1 people found the following review helpful. Love Love Love this bookBy Ramona ArmsteadI purchased this book I never intended to color in the book but the pages were so very nice and calling out to me for color. I recommend this book not because I know the author but because the photos are amazing and call to you to make them more beautiful with color.

Color the fashion of the future... This unique vision of the fashion future contains over 50 dazzling designs for you to color in your own way! Each beautifully illustrated page is one-sided so you can hang up your masterpiece once

completed. Lets get started, the fashion future awaits!
