This book will give me all the information I need.0 of 0 people found the following review helpful. Five StarsBy Zora Fabianplanning a huge herb garden next year!1 of 1 people found the following review helpful. Great BookBy B. Dubuquethis was one of several

books we found and read on herbs and herb gardening at our local library. We found it the most helpful and purchased a copy. The company had it to us right away.

Gardeners everywhere love herbs for the wonderful flavors they add to food, the beauty they lend to the garden, and for their many uses in crafts and as home remedies. This hands-on guide shows how anyone can successfully grow a wide range of more than 90 herbs in the back yard. Features a full-color encyclopedia section. 300 color photographs; 50 illustrations.
