Gerda Bengtsson--towering giant of Danish Handcraft GuildBy Jane in MilwaukeeMrs. Bengtsson was an amazing individual: she single-handedly built the Danish Embroidery Guild from the ground up and forever made her mark on worldwide embroidery. She authored many, many books and any needleworker's library will be enhanced by them. Shuster published many of her works initially, many 64 page hardcovers or paperbacks. Dover has republished most of them as well. You can get this book and others of hers for really low prices.
