Jane Alford : Roses in Cross Stitch (The Cross Stitch Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Roses in Cross Stitch (The Cross Stitch Collection):

1 of 1 people found the following review helpful. Oooh La La!!!By Elizabeth A. DionFor those who love the Shabby Chic/Romantic style of decorating, the projects in this book will not let you down. The book contains such items as a Rose Tablecloth, Sampler, ideas for making cross stitch greeting cards. A nice, but small selection of projects. My only negative about the book is that the graphs are in black and white and they are small. You may need to enlarge them to work them.
