Rowan Yarns : Rowan's Greatest Knits: 30 Years of Knitted Patterns from Rowan Yarns before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rowan's Greatest Knits: 30 Years of Knitted Patterns from Rowan Yarns:

It goes through the Rowan magazines, back through the 1980's and up to the present, and selects the best patterns to include in this book. As is typical for Rowan, the photography is stunning. They also have at hand master designers such as Sasha Kagan, Kim Hargreaves and Kaffe Fassett. I especially liked the Fisherman Sweater, the Anice Shawl, and the Veronica Sweater. There are other patterns I'd also like to knit. Regardless of what I knit, however, this book is a visual feast for the eyes. Any knitter will enjoy looking at the beautiful historical photographs and lovely colorful knit projects through the years. Rowan photography is always stunning and this is a very beautiful knitting book. 0 of 0 people found the following review helpful. Love it. By

SYLVIA WIBERG At first glance I thought it held only pictures going further into the book I found the patterns. Love it. 15 of 15 people found the following review helpful. Rowan History By Elaine I was disappointed and returned this book. I have knit many garments from Rowan designers and was presuming this would be a collection of the more popular designs from their magazines. I buy some of the quarterlies but not all. This volume was focussed on the history of Rowan and while interesting as I scanned the pages, not what I was looking for. I have one of their earlier publications: The Best of Rowan, 50 Designer Knitting Patterns, published by Interweave in 1998. It is a treasure!

Internationally renowned Rowan is a knitwear company that has been making gorgeous yarn and stylish, yet classic patterns to go with it for thirty years. With Rowan's Greatest Knits, the company celebrates decades of great knitwear designs from such beloved and noted designers as Kaffe Fassett, Jean Moss, Sasha Kagan, and Annabel Fox. Featured in-house talent includes Martin Storey, Kim Hargreaves, and Marie Wallin. Included in Rowan's Greatest Knits are 30 patterns from 1980 to the 2000s. With 80 stunning color photographs pulled from the original pages of Rowan magazine, Rowan's Greatest Knits also presents its most popular patterns. And, these are modeled by, among others, a young Kate Moss. Patterns include yarn replacement suggestions.

"This looks likely to be the knitting book of the year. Published to celebrate Rowan's 30th birthday, this is the first Rowan collection book in more than a decade. It promises 30 of the most coveted Rowan designs from the 80s to the present day from the likes of Kaffe Fassett, Sarah Dallas, Sasha Kagan and Martin Storey, reworked with current yarns. Put it on your Christmas gift list now!" --Hartford Examiner (CT) About the Author Rowan Yarns, Ltd. is a renowned knitwear company located in England, whose yarns are distributed throughout the world.
