Francoise Read : Rubber Stamping: Brilliant Birthdays before purchasing it in order to gage whether or not it would be worth my time, and all praised Rubber Stamping: Brilliant Birthdays:

3 of 3 people found the following review helpful. Francoise Read is the bestBy QueeniemayI already had Francoise Read's "The Stamper's Bible" when I went looking for anything else she may have written. I purchased the Brilliant Birthdays book solely on her name. I was not disappointed. She creates designs that can be adapted to any stamp. I'm a stamping demonstrator, so her books become the premier part of my reference library.

Expert stamper Francoise Read explains in an easy-to-follow step-by-step style, how to produce this wonderful selection of creative greetings cards. All the cards are absolutely perfect for birthdays and can also be adapted for many other occasions. There is something for everyone here, as the cards feature a rich diversity of styles and themes and as you progress you will be guided through an array of fun and innovative stamping skills and techniques. Once you get started you'll probably never send a shop-bought greetings card again!
