Oliver Zachary : Rudegami before purchasing it in order to gage whether or not it would be worth my time, and all praised Rudegami:

1 of 1 people found the following review helpful. unique birthday presentBy I.love.frogsArrived today. Giving to my boyfriend for his birthday in a few days. He is really good at making things with origami I'm sure that he is going to have a ball with this set!

Everyone can fold a paper plane, but can you fold a paper penis? Probably, not, so buy this book now and learn how! Containing 18 weird and wonderful designs to subvert and surprise, Rudegami has some of the most outrageous origami projects ever invented. Start by folding a simple pair of boobs or a chocolate starfish before trying some of the penis paper portraits, with paper members dressed up as angels, rock stars, royalty and more. So get your mind into the gutter, grab a square of paper and get folding!

About the AuthorOliver Zachary is a master of outrageous origami. He enjoys the challenge of making surreal and subversive folds, and loves unleashing new models on the unsuspecting public.
