Colleen ChuppI would have liked more pictures in it to help find the ones they were talking about. Other than that I think it's a good price guide.0 of 0 people found the following review helpful. Four StarsBy Susan NeumannGood reference guide.0 of 0 people found the following review helpful. Five StarsBy ShazbotI was very satisfied

For one of the fastest growing collectibles comes a fascinating book covering salt and pepper shakers from the 1860s to today. From humble pottery to the finest porcelain, from commemorative sets to advertising premiums--thousands of shakers and their market values are listed. 240 black-and-white photos plus an 8-page color insert.
