It's not 10 continuous years, as there was a gap when they were first starting up, but it is a fine collection. The articles range in subject from textile history to needlework techniques and make it a dangerous time-suck, and there are plenty of printable patterns in every issue to keep a needle-worker busy for years. 0 of 0 people found the following review helpful. Good magazines and photos By DJFASs expected. Adequate photograpjy - can read most charts and instructions very easily. happy with

Enjoy an entire decade of the magazine that cross-stitch lovers look to and cherish above all others. This DVD-ROM includes every page of all 21 issues of Sampler Antique Needlework Quarterly magazine from 1991 through 2000. The fully searchable, printer-friendly PDF allows for browsing content by issue or searching for a word or phrase. This DVD-ROM includes full-color photography, easy-to-read charts, and complete instructions. The disc is both PC and MAC compatible and can also be played on Region 1 DVD players.
