This book is a page from everyone of her books! Her books are awesome and keep you coloring for hours! This is also a great price so you can get started! Once you purchase this you will want to buy them all!6 of 6 people found the following review helpful. A tasting of what Angie Grace has to offer...and a great price!!!By IggystarI absolutely love this book and I think it's essential if you've ever wanted see what Angie Grace is all about. You get one page from each of her books, including pages from

her Crayons and Wide Tipped Markers editions. Plus the price is almost half of a regular Grace book, which is an awesome deal and with that you can really see which full edition is right for you. I've been able to make some very informed choices from her collection by buying the Sampler. Each page contains all of her beautifully articulated designs, some which include flowers, others with flowing tubes and still other with sharper shapes. It's a bit of all her work so it runs the gamut. What to expect: Single-sided pages, non perforated. Lots of variety. The paper weight is more on the medium side, but this doesn't present a problem with crayons and use a piece of paper behind your work with markers. Not the regular overall size for a Grace book, but the picture size is the same. As you can see in the photos space is used below the illustration to identify the book the page is from. 11 of 11 people found the following review helpful. It definitely is worth spending to avoid buying a whole book of something you don't like. It let me judge that these books are .By ZooFor the price, it definitely is worth spending to avoid buying a whole book of something you don't like. It let me judge that these books are not detailed enough for me.

This special edition collection for colorists features one page from every single Angie Grace coloring book! Best selling whimsy artist Angie is the author of six popular series: Angie's Patterns Angie For Crayons And Wide Tipped Markers Angie's Coloring Journals Angie's Extreme Coloring Books Angie's Extreme Stress Menders Angie's Gentle Mood Menders For Crayons And Wide Tipped Markers Whether you are a long time fan or new to Angie's books, Sampler is the best way to explore all of her titles or share your passion for coloring with friends who are just discovering the hobby.
