Clear and precise and it is for left or right-handed people. Good. 3 of 3 people found the following review helpful. Good but not great. By Janet H Some of the instructions for the hemming appear to be incomplete and the pattern pieces could be clearer to read. That being said I am working on my first piece and it is coming together nicely. 1 of 1 people found the following review helpful. Five Stars. By Lora Garza Wonderful illustrations. Love counted work. This has made a great addition to my book collection
