**Sasha Kagan : Sasha Kagan's Country Inspiration: Knitwear for All Seasons** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sasha Kagan's Country Inspiration: Knitwear for All Seasons:

2 of 2 people found the following review helpful. Beautiful Designs, BUTBy CeltKnitterThe designs in the book are nothing short of exquisite, beautifully detailed, a nice range of styles, but, as others have pointed out, the size range is lacking. I get annoyed when I have to take a pattern and recalculate to fit. Some of the designs are of a more accommodating / loose fit and could go for multiple sizes, but on the more classic fit, it will require a healthy amount of time spent rewriting to accommodate a change in size. I wish designers/editors/publishers would think about this when presenting a printed pattern. From the patterns instructions that I reviewed, they do seem to be well written and straight forward. I liked the way the charts were laid out. All in all, a very lovely book and a pleasure to look through.0

For ideas for her latest book on knitwear, Sasha Kagan looked to the Welsh countryside where she lives with her family. And nature was obliging indeed, judging from the lovely designs in Sasha Kagan's Country Inspiration. A leading knitwear designer with an international reputation, Kagan uses leaves and flowers as the basis for creating a variety of garments and home decor items. This classic collection includes her trademark sweaters, as well as throws, pillows, and bedcovers. The process is made easier and more fun with simple, full-color graphs for each of the book's 40 projects, and the patterns elegantly showcase the author's unerring sense of color and style.

About the AuthorSasha Kagan is an internationally known knitwear designer and the author of three books including "Sasha Kagan's Country Inspiration". She lives in England.
