Lots of wearable sweater patterns.By Kaitlin555I was looking for a book that had sweater patterns I would actually wear, and this one definitely qualifies. I am in process of knitting one of the patterns, and I find the instructions clear and easy to understand. These are not complicated patterns, but I'm sure even an experienced knitter would enjoy them. Since I haven't completed the first one from the book, I have no opinion on sizing.42 of 43 people found the following review helpful. I've been looking for a book like this for yearsBy KathyI just got my copy in the mail and am excited about making just about all of the sweaters in it. They are very basic and not trendy at all, yet they look very much like what I'd buy in any department store today. The patterns look very simple to make and the instructions tell you what weight of yarn to buy if you don't want to use what the pattern calls for. I would imagine that the designs will be in style for many years and I'm glad to have this in my
