Edith Nielsen : Scandinavian Embroidery Past and Present before purchasing it in order to gage whether or not it would be worth my time, and all praised Scandinavian Embroidery Past and Present:

0 of 0 people found the following review helpful. A very interesting book if you are interested in the ...By junebugA very interesting book if you are interested in the development over time and the influence of other cultures to create patterns for their cultures.13 of 13 people found the following review helpful. Needlework HistoryBy Pear SpellmanWonderful history of needlework from Scandinavian countries. Nice photos, many in color. Great text with explanations. Little known customs as asides. Nice lay-out. Glad I bought it.7 of 8 people found the following review helpful. Some interesting stuffBy Peter PascatoreInteresting vintage embroidery styles. I am looking to make aSwedish folk costume and found some nice ideas from the embroiderywork in his book. Mrs. Peter

This comprehensive book gives the history of Scandinavian embroidery from 1700 to the present, showing the different traditions that developed in each country. Two unique styles, Hardanger and Hedebo, are fully explained, and special attention is given to the Christmas designs which are perennially popular. In addition to general instructions, there are directions for twenty-four projects including pillows, wall hangings, and tablecloths.
