Jerry Pickard : Scanner Modifications And Antennas before purchasing it in order to gage whether or not it would be worth my time, and all praised Scanner Modifications And Antennas:

Whether you're scanning for valuable emergency information or just our of curisity, you want to get the most out of

your equipment. This book will teach you how to get your straight-out-of-the-box scanner working to its fullest potential. Instructions are written as simply as possible so that just about anyone who can determine the hot end of a soldering iron can modify his or her scanner.
