Not so much if you like squares and no, you can't always fold your square into a rectangle and make it work.0 of 0 people found the following review helpful. One StarBy PhyllisNot too informative.2 of 2 people found the following review helpful. didn't likeBy MarjeanThis book would be helpful for someone who is just beginning to wear scarves and needs ideas of ways to wear them. I've been wearing scarves for quite a while and was hoping to get some new ideas but the book was of no help to me.

Scarves continue to be one of today's most popular accessories. Add a scarf to any outfit and it changes the look competely. This book includes easy step-by-step illustrated instructions for wearing your scarf in over 20 different ways.
