There are simple to more complex patterns within. I've made two already.4 of 4 people found the following review helpful. Five StarsBy MarinaVery nice patterns. I might use some different color combinations though.4 of 4 people found the following review helpful. Five StarsBy Melinda W.Lots of fun projects!

Enjoy a preview of all 25 finished scarves in our exclusive Look Book! Cowls, infinity scarves, long tube scarves, and neck warmers are fresh, modern takes on the scarf, and you'll want to create them all from this fun and fashion-forward collection for circular needles. With circular needles you are always moving forward, with no need to flip from front to back--and no seams--so you'll whip them up in no time! Everything from light, lacy cowls airy enough to be worn in summer to big and bulky cables and bobbles. Intriguing entrelac and dazzling colorwork designs--including bold striping, geometric patterns, and Fair Isle. Wide range of patterns built on basic stitches and using widely available yarns, including popular self-striping yarn. Stitch and technique guide includes step-by-step photos

"Heather's first book is full of gorgeous ways to keep your neck warm, all knit on circular needles!! Her book has everything from beginner-friendly patterns to the most complicated of designs, and the finished items range from capelets to cowls to traditional-looking scarves that are knit as mini tubes!" (Robyn Devine shemakeshats.blogspot.com 2015-06-03)"Heather Walpole's new book, *Scarves in the Round*, is a visual feast for every knitter! Knitting scarves flat is usually the way a new knitter starts to know. Heather takes that a step forward in her book by creating scarves in the round. From tube scarves to cowls and infinity loops, Heather has 25 savvy patterns that are perfect for anyone." (Karen Whooley krwknitwear.com 2015-09-02)"*Scarves in the Round* features 25 knitted infinity scarf, cowl, and neck warmer patterns, as well as tube scarves! They are all made using circular needles--love that! So much easier than DPNs, and the most portable of knitting projects!" (Tamara Kelly Mooglyblog.com 2015-09-21)About the AuthorHeather Walpole is the designer and founder behind Ewe Ewe Yarns, a boutique wholesale yarn company specializing in merino wool. She enjoys designing a wide variety of knit and crochet garments that are fun to make and super comfortable to wear. Her patterns are featured on her company's website, eweewe.com, and appeared in the One + One book series with Iris Schrier, as well as in *Knit Simple*, *Love of Knitting*, and *Creative Knitting* magazines. Heather earned a degree in graphic design from the Philadelphia College of Textiles and Science and worked as a designer for IKEA before relocating to Oceanside, California, and taking up knitting.
