Has the pattern in it for the Carrot bag and bunnies featured in a Redbook Magazine from long ago. I am so happy to have found the pattern again. Had the original Redbook book, gone now, so great to have resurrected the pattern. Includes so many other cute useful patterns. Now where do I go to buy time to use them all? LOL Thanks much!0 of 0 people found the following review helpful. Five StarsBy Mary PierceExactly what I needed. Thank you.1 of 1 people found the following review helpful. Over 50 fabric and paper projects are provided in this volume. Simple scraps of fabric can become toys, ornaments, gifts and decorative items. Many of the projects relate to particular seasons such as Easter bunny bibs and festive decorations for Christmas.
