LeonardAt first I was disappointed when I saw how slim the book is, but after looking inside, I couldn't be happier. The book is filled with the most adorable photos ever. The sweater patterns are varied in size, color, pattern and all so beautiful. One of the best things about the patterns is that all the yarns listed are familiar and available at my local yarn shop. Can't wait to get knitting.4 of 4 people found the following review helpful. Easy to follow patternsBy LeslieVery useful book. I've already used the first pattern 4 times in 2 sizes with color variations (stripes and zig-zags) and am getting ready to make a 5th sweater by adding some cables to the back. I may venture further into the book to make that one with sleeves. We get compliments at the dog park (especially when the puppy wears the one in the local NFL team colors!)0 of 0 people found the following review helpful. My favorite knitting for dogs bookBy affengriffonMy favorite knitting for dogs book. This one has all the info you need to get started (I'm a beginner) and uses inexpensive yarn that is easy to find.

Enjoy fun-to-knit patterns that let your dog step out in style. Pamper your pooch with knits ranging from a little black dress--complete with beaded neckline--to a doggie hoodie. The sweaters come together easily; most are knit from the top down. And when you finish knitting, you're really finished--no seams to sew. Just put it on Fido and go!14 stylish
