chores and sleep!!!The mom of the little girl I'm making these doll clothes for had an American Girl doll when she was little and if she's asked me once, she's asked me a thousand times "why didn't you make these outfits for me when I was little?"They are treasures to make and the instructions are very clear and concise to follow. I must have over sixty different doll clothes' books to select from. I'll be doing this for a long, long time. Friends of mine have already asked me to make outfits for their daughters and granddaughters!8 of 8 people found the following review helpful. Classic styles for today's dolls.By Kindle CustomerI received this book and it's full of sweaters and caps that are adorable. Classic styles that can be jazzed, if you wish, by your choice of yarns. The directions are easy to read and you don't have to be a master knitter to enjoy the designs.2 of 2 people found the following review helpful. I love this bookBy Joanne D. I just wanted to tell you that I have been having so much fun knitting your patterns. Your instructions are so easy to follow and the designs are ADORABLE. I haven't found any cuter patterns than yours. I've also learned so much by knitting them. I've gone from an advanced-beginner to an intermediate knitter. This is going to be a wonderful book! Many of my favorite patterns of yours are in there! Can't wait to see it in bookstores. Congrats on putting this together! ~ Sophie Regarding the yarns used throughout my book(s).
