Rosalie Upton : Secret Lives of Teddy Bears: Stories of Teddies and the People Who Love Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Secret Lives of Teddy Bears: Stories of Teddies and the People Who Love Them:

2 of 3 people found the following review helpful. Secret lives of teddies By Doreen Wright A fun and informative book for any teddy bear collector. There are many heart warming stories about the owners of the bears and wonderful illustrations.

A collection of original hand-painted portraits of some of the world's most famous and infamous teddy bears, including Winnie the Pooh, the Steiff museum bears, the Clarendon bears and many others. Each portrait is accompanied by a detailed history of the bear, with photo's of the bear's original owners included where possible, and associated memorabilia, which captures the personalities of each bear and the period in which they were made.
