Gail Doane : Sew Cute Couture: Create Adorable Embellished Jackets with Matching Dresses, Skirts and Shirts before purchasing it in order to gage whether or not it would be worth my time, and all praised Sew Cute Couture: Create Adorable Embellished Jackets with Matching Dresses, Skirts and Shirts:

0 of 0 people found the following review helpful. Heirloom-quality clothes for girlsBy Kai LinThis book of charming clothes for girls is truly special. The fine details are worth the effort for such heirloom-quality clothes. If you can't find all the fabric and notions at your local fabric store, visit the author's Etsy shop, where she sells the fabric and notions in kits, as well as finished items. Brilliant!6 of 6 people found the following review helpful. Really cuteBy giniGreat

embellishment ideas that do not overwhelm. The book is also helpful for those needing guidance constructing a smocked bishop or smocked bodice dress. The smocking patterns are classics enhanced by buttons and embroidery. The author gives clear guidance to create many dresses out of two basic dress and jacket patterns - one for toddlers and one for girls. Also includes a skirt for girls. If you like classic clothing, this is one of the best books for building your favorite little girl's wardrobe. 0 of 0 people found the following review helpful. A True Classic By Survivor2008 The author has a true knack for taking complex stitches and designs and putting them into easy to follow instructions. I used to do this type of sewing but after chemo, my memory would quit on me. This is a easy to understand refresher course for me. For someone starting out without prior knowledge, it would be a great primer. I love the designs. So many classics with handmade touches. Yet she has also made them contemporary with the jacket worn with jeans shows. This will be in my library for many years and I may purchase additional for gifts. Thank you for writing it.

"Sew Cute Couture" combines classic boutique-style with beautiful embellishments to create a collection of stylish jackets that are designed as the perfect partner for sweet dresses, skirts and shirts. Multi-sized patterns for the jackets, smocked bishop and unique square yoke dresses and stylish wrap skirts allow for a multitude of options for toddler through pre-teen girls. Detailed instructions, step-by-steps and clear photography make this a necessity in the library of every sewing enthusiast.

About the Author Gail Doane is a self-described heirloom sewing addict. She has more than 30 years of experience, having dressed seven children, and now an ever-expanding number of grandchildren, in beautiful heirloom clothing. Her work has appeared in many publications, including Australian Smocking Embroidery, Inspirations and Martha Pullen's Sew Beautiful Magazine.
