3 of 3 people found the following review helpful. Would recommendBy LoSuper cute. She is excited to get started on making her own bags. The directions are simple and explained well. Very child friendly1 of 1 people found the following review helpful. Good. East to followBy rena fianVery informative.patterns are basic nice and easy having

fun learning and seeing different ways of obtaining ideas in someone else's view1 of 1 people found the following review helpful. Four StarsBy Meg LamotheVery cute bags with detailed instructions!

You can never have too many bags and this collection from Melly McNeice is the perfect inspiration to make a few more!The book is packed with bag designs for all occasions including totes, clutch bags and handbags, together with the more practical 'sleepover' bag, back pack and ubiquitous nappy changing bag.Full sized pull out patterns are included for each bag for precision pattern cutting enabling you to get sewing straight away without having to print out sheets of paper!All the patterns have step diagrams for easy piecing. There's also a general techniques section explaining the tools and equipment you'll need to get started.
