Minki Kim, Kristin Esser : Sew Illustrated - 35 Charming Fabric Thread Designs: 16 Zakka Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Sew Illustrated - 35 Charming Fabric Thread Designs: 16 Zakka Projects:

17 of 17 people found the following review helpful. Beautiful book and great directions!By SasaMy first completed project from the Sew Illustrated book! I changed things a bit, but well, I always do ' LOVED making all these little houses, cutting the small fabric pieces, and finally "illustrating" them. If you have been wanting to get this book but feel a little intimidated because of the complex appearance of the projects, don't worry! Minki and Kristin walk you through every step and give you all the tips and tricks to master this in no time! I can tell you, it's been a real joy for me! '5 of 5 people found the following review helpful. So many cute ideas!By A. CarrilloI absolutely love Minki's

illustrations on Instagram and was so excited to get a whole book full of her fun designs. So many cute ideas to try and I love that the publisher is fixing the printing problem and sending us new pages for the iron-on transfers. I'm not sure I can pick one design as my favorite but her bag section is full of the most adorable bags and the typewriter design is just so good. I love all the photographs that show step by step since I'm a visual learner. Great book - perfect addition for your sewing library! 3 of 3 people found the following review helpful. Lovely Book! By LindyGood information and instruction. . The photos of the project ideas are wonderfully inspiring!

Use free-motion stitching and applique to embellish charming handmade gifts! Make and share 16 small projects in the popular Zakka design style, including bags, coasters, pincushions, a cosmetic roll, and a mini sewing kit. Learn how to transfer and sew any of the 35 adorable sketches printed on iron-on transfer paper or branch out and try sewing your own doodles (or a child's!), a stamped image, or a traced photo.

We are completely in love with Minki Kim's oh-so-sweet saying illustrations, so we were extremely excited when her new book *Sew Illustrated* arrived in the office this month. A collaboration between Minki and her sewing BFF Kristin Esser, the book offers 35 adorable fabric illustration designs in 16 projects, along with step-by-step tutorials and tips for this unique technique. (Love Patchwork and Quilting, Issue 38) Subtitled '35 Charming Fabric and Thread Designs', this book is what the title says a work of charming projects to sew. There are 16 zakka style projects for the home, using free-motion quilting and raw edge applique. 35 drawings are printed onto iron-on transfer paper for you to use. This will inspire you to make your own doodles and designs too. Have fun making handmade gifts for friends and family and for yourself too. You'll find basic techniques, design transfer, sewing info, design tips and then the projects, which are divided into table, crafter, every day, occasion and home. The coasters, table mats, pincushions, baskets, bags and more are all lovely. The stitching is very neat and there is a wonderful mix of floral and plain fabrics. For everyone who loves handmade. (yarnsandfabrics.co.uk, 8/11/16) This book is fantastic introduction to the art of sewing illustration. Using a combination of free-motion stitching and raw edge applique, it is a fun and versatile technique that you can use to enhance and embellish many types of sewing projects. Learn how to transfer and sew any of the 35 adorable sketches, printed on iron-on transfer paper, or branch out and try sewing your own doodles (or a child's!). There are 16 small projects to make all in the popular Zakka design style, including bags, pincushions and a mini sewing kit.
