About the Author Martingale acquisitions editor Karen M. Burns started as an office tour guide (getting paid in quilt books), and then quickly worked her way into the heart of the company. After also acting as account manager and communications coordinator, she now spends her time inviting popular designers to create and contribute to Martingale books. Karen has compiled many Martingale books and contributed to several more as a machine quilter, including A Baker's Dozen, Jelly Babies, and Quilting with Fat Quarters. With a stack of more than 30 of her own quilts at home ready to be quilted, Karen compares herself to the cobbler whose children have no shoes--she's the quilter with no finished quilts.
