**Lexie Barnes : Sew What! Bags: 18 Pattern-Free Projects You Can Customize to Fit Your Needs** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sew What! Bags: 18 Pattern-Free Projects You Can Customize to Fit Your Needs:

5 of 5 people found the following review helpful. Big DisappointmentBy Susan EicholtzI purchased this book based on other reviews. It turned out to be a big disappointment. It is written for the novice. A good portion of the book consists of instructions for the beginning sewer. The projects were nothing special or unique.I ended up giving this book to my best friend because she would like to try her hand at sewing.8 of 8 people found the following review helpful. More than expected!By K. KlemmI love this book. I'm a novice and bought it after difficulties with a purse pattern. I expected an easier pattern and it gave it to me. What I didn't expect was the mini lesson in fabric, sewing, stitching, even elastic. This book covers everything you need to know to complete the projects within it and sets you

up for designing your own purses and bags. After reading this book I've become a bag sewing genius. 4 of 4 people found the following review helpful. Simple projects to get the bags you desire for every day use. By MJ I'm an experienced seamstress so this is more of an idea book for me. It does contain tips for the new to sewing. It helped me break out of a slump in imagination. I'm ready to get back to my machine.

From daypacks for hiking to everyday grocery totes, bags are an essential accessory for life on the go. In this inspiring guide, Lexie Barnes shows you how to create handmade bags that provide customized functionality while showcasing your own personal style. With step-by-step instructions for 18 pattern-free projects that include drawstring sacks, handbags, and messenger bags, Barnes encourages you to experiment with bold fabrics, hand-picked materials, and purpose-tailored dimensions to create fashionably unique bags that are suitable for your individual needs.

About the Author Lexie Barnes, a self-taught designer and the creator of a successful line of women's handbags and accessories, is the author of *Sew What! Bags* and *Sew Up a Home Makeover*. She brings her fun sense of style to every design she creates, and her craft bags have received rave reviews from BUST, Vogue Knitting, Adorn, and Knitty.
