New to sewingBy VickiI never knew Fleece was soooo easy to work with until I looked at this book. Great ideas and simple projects to make. We will be making stuff for kids in homeless shelters so they can stay warm and have something to call their own. Great book.0 of 0 people found the following review helpful. Sew What! FleeceBy AbssinhCute book! Nice to have instructions on how to figure designs based on your own body measurements, along with tips for altering garments. Filled with good tips, lots of alternatives to the

'primary' design, and practical information about making garments with fleece. Very happy, and highly recommend.

Discover how easy it is to sew your own cozy wearables from fleece. With a creative approach that exploits fleeces forgiving and versatile attributes, Carol Jessop and Chaila Sekora present easy-to-follow instructions for 30 simple and fun projects that include hats, scarves, robes, yoga pants, and even a dog jacket! Encouraging novice sewers to get in on the action while offering endless variations for those with more experience, Sew What! Fleece will add a new dimension of style and warmth to your crafting repertoire.

The cozy pieces include something for everyone, from the whimsical to the practical, and even a novice will find the instructions encouraging. ForeWord
