Sew faster and more easily without losing your precision! These vinyl strips replace masking tape and moleskin with a repositionable stop that doesn't leave sticky residue. The thickness creates an edge that guides the fabric in front of the foot. Sew with confidence every time! Works on all machines.

Say goodbye to sticky masking tape with these handy repositionable vinyl strips from CT. Suitable for all sewing machines, the thickness creates an edge that guides the fabric in front of the foot so you can sew faster and more easily without losing your precision.
