The only flaw is in the middle of the book there is a large section of instructions about installing something for some type of mp3 or media player that has absolutely nothing to do with doll making. I double checked and there were no pages missing from the doll making instructions and the book was pretty cheap so we decided to use the extra pages to make patterns with. 0 of 0 people found the following review helpful. Four Stars By SCS Great product easy to understand patterns. Good for children to learn how to sew. 5 of 6 people found the following review helpful. Not what was expected By Mimi Thought this book would have a lot of patterns, considering the price. Half the book is given up to how to make a doll. A doll that is nothing like the American Girl. Then there is a lot of writing in

the second half and a few patterns. I was quite disappointed.

This book is a collection of patterns for large dolls (18" or 46 cm). The book includes full size patterns and detailed sewing instructions for the Kitty cloth doll and her outfits. In addition to Kitty, the outfits will fit American Girl, Springfield doll collection, as well as other 18" (46 cm) dolls. Measurements are given in both US and metric units. The patterns match those found in Sherralyn's book Sewing for Mini Dolls. The patterns in that book are for the 6" (16.5 cm) American Girl Mini size doll. The patterns include: Nightgown, Sleep Cap, and Six Styles of Bedroom Slippers A-line Dress and Jacket Pants, Shorts, Skirt, and T-Shirt Ballgown and Classic Dress Mary Jane Shoes, Princess Slippers, Sandals, and Sneakers Kitty Cloth Doll, Camisole, and Panties Sherralyn's Tools, Tips, and Techniques is included.
