By NKeel Very easy to read and understand! Love the pictures, the clear explanations and projects! I highly recommend this book to anyone who wants to learn how to sew! 6 of 6 people found the following review helpful. Great book for a new sewer By Just Getting Started I got this book from my local library and decided it would be a great addition to my library. I love that the illustrations are clear and concise and easy to reference. I have NOT done any of the patterns in the book so I can't speak to those, but as a reference book, it's great!

Whether you want to make a quilt, re-upholster a chair seat, or fix a hem, sewing is one of the most essential and useful skills you can master. But if you've never even turned on a sewing machine before, learning to sew can seem like a daunting task. Not anymore! Geared toward the absolute beginner, *Idiot's Guides: Sewing* teaches the basics of

sewing in a series of lessons using full-color, step-by-step illustrated instructions that enable you to clearly see how every technique is executed, from threading a sewing machine to reading a pattern. The lessons are accompanied by practice projects, allowing you to try out their newly learned skill. As the lessons become more advanced, so do the projects, giving you instant gratification as you become more proficient. This completely illustrated guide is an essential tool for any person who wants to learn to sew. Features include: Tailored to the beginner who has never used a sewing machine before, with clear, easy-to-understand instructions. Comprehensive, step-by-step, color instructions teach all the basic techniques of sewing, from threading a machine to various stitches and construction. Practice projects throughout help the reader learn and practice techniques. Handy guides teach how to read a pattern, choose and prepare fabrics, create seams and finishes, and more.

About the Author Cinnamon Miles is the co-founder of Liberty Jane Clothing, founded in 2008, and she is an official brand ambassador for Bernina USA, a premiere sewing machine company. Her sewing/design work started when she was just 8 years old, as she learned sewing from her mom, who worked for a fashion designer in Los Angeles. Cinnamon works with over 1,000 seamstresses through the Liberty Jane Partners program and The Cutting Room, helping with their sewing/crafting-related businesses.
