Nicole Vasbinder, Vasbinder Nicole : Sewing Machine Secrets: The Insiders Guide to Mastering your Machine
before purchasing it in order to gage whether or not it would be worth my time, and all praised Sewing Machine Secrets: The Insiders Guide to Mastering your Machine:

3 of 3 people found the following review helpful. Great book even for people with a lot of experienceBy Martel've been sewing for over 40 years, but haven't done much with the specialized feet on any of my machines because I didn't have good instructions before. This book gives clear, well illustrated instructions for actually using all those specialized feet. I'll be using them a lot more now.18 of 19 people found the following review helpful. A good beginner's toolBy Mary L.I bought this for my cousin who had decided to learn to sew. She acts like it is the greatest thing since sliced bread. Every oother conversation for about a week began with "Did you know...". Having sewn for over 50 years, I usually, but not always, did know!1 of 1 people found the following review helpful. A must have book....love it!By Kindle CustomerLove this book, a must have

Get the most out of your sewing machine and learn tips and tricks from an expert!Sewing Machine Secrets is an

indispensable resource for sewers of all levels, showing you how to choose, use, and maintain your sewing machine, master essential sewing techniques, and learn handy tips along the way. The book is divided into two sections. Section one provides an overview of each type of sewing machine, instructions on how to use it, and detailing its advantages and limitations, necessary accessories and optional accessories, parts, and maintenance. Section two uses a more technique-based approach, identifying the most versatile and commonly used presser feet and providing step-by-step techniques for all the results you can achieve using them. Sewing Machine Secrets will teach you the tried and tested tricks you need to get the most out of your machine.

About the Author Nicole Vasbinder owns and operates the California based sewing studio StitchCraft and was one of the founding teachers at Stitch Lounge in San Francisco. She continues to teach at Stonemountain and Daughter Fabrics in Berkeley. She has designed and operated the independent accessory line Queen Puff Puff since 2003 and sells her designs to stores all over the United States as well as stores in Japan, Canada, and the United Kingdom. Her designs have been featured in the Wall Street Journal, Adorn, JoAnn, Venus Zine, and Craft.
