Jenny Doh : Sewn Together: 25 Fun Projects to Sew with Kids before purchasing it in order to gage whether or not it would be worth my time, and all praised Sewn Together: 25 Fun Projects to Sew with Kids:

It's always better when you sew together! The art of sewing should be shared, and these delightful child-centered projects are made for parents to do with their kids aged 6 to 12or for tweens to try alone after they've learned the basics. From simple nesting dolls and a cute plush fox friend to a drawstring game board, pennants, pillows, patchwork throws, scarves, and stuffed animal sleeping bags, there's something fun for everyone.
