Timothy Goodman : Sharpie Art Pack: A Book and Guided Sketch Pad for Creative Mark Making before purchasing it in order to gage whether or not it would be worth my time, and all praised Sharpie Art Pack: A Book and Guided Sketch Pad for Creative Mark Making:

3 of 4 people found the following review helpful. A permanent way to relax :pBy CustomerThis book is just what it says! Though it doesn't actually come with a sharpie, which I found dissapointing, it's a great way to relax and express yourself permanently. As I mentioned before the only thing that would make this book perfect, is if it came with atleast one sharpie... Preferably a double ended one for optimal variation :)
