About the AuthorDr. Julia Riede is a nuclear physicist in love with her knitting needles. She has been taught how to knit by her grandmother in her early childhood in Austria and never stopped since. After many years of following knitting patterns of others, she finally decided to start creating her own back in 2008 which led to the publication of over 40 knitting patterns, four books and countless blog posts on how to design shawls, create your own knitting patterns and how to improve your knitting skills. You can find her on Twitter as @jriedeknits and her website at [www.jriede.com](http://www.jriede.com).
