From Joslyn Art Museum : Sheila Hicks: Material Voices before purchasing it in order to gage whether or not it would be worth my time, and all praised Sheila Hicks: Material Voices:

Drawing on global weaving traditions, the history of painting and sculpture, graphic design, and architecture, Sheila Hicks has redefined how fiber is used to create art, influencing a generation of artists. *Sheila Hicks: Material Voices* explores sixty years of her prolific career through four diverse perspectives. Karin Campbell considers how Hickss oeuvre has taken shape over time and highlights the essential links between the artists work and lived experience. Ted Kooser reflects on the aesthetic and poetic power Hickss work, while Jason Farago delves into Hickss incomparable eye for color. Finally, a conversation between the artist and Monique Lvi-Strauss looks back to formative experiences from early in Hickss life and career.
