Great books!By nicoleI just got the first 5 of Sherri Baldy's books yesterday so I haven't gotten to color in any yet but after looking through each, I can honestly say I love them all. This one happens to be one of my favorites though. There are 2 of each image they are single-sided. The paper is about the same as most books. The images are beautiful adorable at the same time. Fun! I'll be buying the 2 I haven't gotten any others she releases.3 of 3 people found the following review helpful. Wide-eyed fairy's with Sherri's styleBy Julie LangeEach of Sherri's books is NOT a dup of the previous book. It is a style all of its own. Wide-eyed beauties with a fairy theme LOVE, LOVE, LOVE!26 of 26 people found the following review helpful. 25 x 2 Designs Cute and Whimsical My Besties Fairies printed on one side of the pageBy

iiiireader[[VIDEOID:ef4174c2a9dc5e1df26e949b70561c64]]I've just recently discovered Sherri Baldy and her sweet My Besties designs. She has a world-wide following for these cute little girls and has recently released her first three coloring books. Fairy Time is the third in the series and has sweet designs of fairies. These little girls have gorgeous big eyes and are lots of fun to color. I'm having a blast playing with my markers and coloring pencils with these cute designs. What I appreciate about them is that they are project that I can finish relatively quickly. I've been coloring a lot of detailed designs recently and it was fun and relaxing to simply color an adorable little sprite with my markers and then shade it with my various pencils. Here is what I found within this book: 25 x 2 (50) My Besties Fairy Designs. Printed on one side of the page. Page is white, slightly rough, and is non-perforated. Glue Bound. Designs do not merge into the binding. Room enough to cut pages out if you wish to do so. Alcohol and water-based markers bleed through the page. Gel pens and India ink pens leave color shadows on back of the page. Coloring pencils work well: soft lead lay down color, layer, and blend well; hard lead dent the back of the page but lay down good color.

Relax, unwind, get creative and enjoy coloring with My Besties from artist Sherri Baldy! Her Fun Big Eyed Fairy Besties are great coloring for all ages, adults and children too. This Fairy Besties collection is volume #3 from Sherri's My Besties illustrations. Color them all up yourself OR have a coloring party and color with your Bestie Pals.... Sherri's Bestie images have been stamper's, crafter's and scrapbooker's fans favorites from all over the world and are now available in coloring books.
