These little girls have gorgeous big eyes and are lots of fun to color.I'm having a blast playing with my markers and coloring pencils with these cute designs. There are 2 of each image they are single-sided. The paper is about the same as most books. The images are beautiful adorable at the same time. Super cute, like the rest of the series from Sherri Ann Baldy. These make my heart melt;) I just love Sherri Baldy coloring books. Sure wish she'd make more like cupcake and treats and coffee themed! coloring book! There are two pages of each piece of artwork which I think is great because I like to color with colored pencils at times and markers at others. Looking forward to adding more of this artist's coloring books to my collection. Would highly recommend. 0 of 0 people found the following review helpful. Very cute and fun!
