Our train fanatic loved them but with only 8 stickers the fun was short lived.0 of 0 people found the following review helpful. We love trains!By Beverly E. EdwardsEven though it only lasted a few minutes 2 1/2 year old grandson had a lot of fun with these stickers.0 of 0 people found the following review helpful. Not many stickersBy NatyBietzI don't know if my booklet was missing a few pages or what, but there were only about

8 stickers inside. Also this booklet did not have a background where you could place the stickers, it's just stickers.

All aboard! These little toy trains are always smiling when they're riding the rails and blowing their whistles. In this sticker collection you will find brightly colored locomotives, steam engines, coaches, and more with an extra-special shimmering glow. Apply these twelve adorable stickers to cards, gifts, or any other flat surface and you will smile too. To use stickers, simply peel and apply.
