**Irene Flores, Krisanne McSpadden : Shoyo Fashion Manga Art School, Year 2: Draw modern looks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Shoyo Fashion Manga Art School, Year 2: Draw modern looks:

1 of 1 people found the following review helpful. Great for Learning to Draw ClothesBy HaleyThis book is really helpful because it talks about much more than bodies and poses. It includes all different styles of clothing for all ages, and even talks about the dynamic of wrinkles. I am also very glad that this book shys away from that awful Christopher Hart art style.1 of 1 people found the following review helpful. excellent bookBy J. LambornWhat I like about this book is that it give a great variety of clothing styles to use as examples. Even better than that, is that unlike many books that only depict one younger good looking body type , this has many ages from children to very old. it also has a variety of poses throughout the book. we have already used this book many times in our short ownership.1 of 1 people found the following review helpful. Everything you need to know about drawing clothing ^^By VivienneI

bought this book back in January when I had super trouble thinking of ideas for clothes for my original anime characters and such. This has helped A TON! Not only does it teach you where to put folds and different designs, it also entertains the common otaku by adding in some obvious 'Hetalia: Axis Powers'/'Hetalia: World Series' characters in it as the models! In this book, you will find very strong Hetalia references and I find them quite adorable/awesome (especially when you reach the toddler and children's fashion ;) )I highly recommend this book to anyone who needs ideas on clothing ^^ Good luck on your drawings!Vhirus.deviantart.com~

Draw Modern Looks!Expansion on the "Drawing Clothes" and "Cool Looks" chapters of Shoyo Fashion Manga Art School, this title shows beginning and intermediate artists how to dress and accessorize their shojo characters in stylish clothes and accessories to fit any occasion.Readers find modern looks and fashions for all the classic shojo graphic novel themes such as:high school romancescomplex dramasstories about friendship and sweet comediesStarting with basics like materials (primarily pencil and ink), color, movement, lines and shading, the book covers casual styles, school clothes, work attire, glamorous fancy dress and seasonal/situational looks. Loaded with techniques and tips from an exciting young artist and writer with a fresh style, this book includes great step-by-step instruction from initial lines to black-and white inked illustration to finished art in color.

About the AuthorIrene Flores is the author of IMPACT's bestselling Shoyo Fashion Manga Art School, as well as co-creator of Tokyopop's trilogy Mark of the Succubus, Volume 1, Volume 2 and Volume 3 with writer Ashly Raiti. Her deviantART website has had more than 137,072 pageviews and her work has been reviewed in Ain't it Cool News, Manga Life, IGN.com, Tokyopop, and Newsarama among others. Flores organized and co-wrote both of her IMPACT books with writer Krisanne McSpadden. Visit Irene at BeanClamChowder.com.
