Love silver jewelry but don't have time to learn traditional silversmithing techniques? Silver clay is as simple to work with as modeling clay, yet it's 99.9% pure silver! The 22 projects in this handy guide are perfect for newcomers, who will learn how to shape, roll, cut, mold, and indent the clay with the help of a comprehensive techniques section. From pendants and bracelets to rings and statement beads, Silver Clay Workshop opens up a bright new world of jewelry making!

About the AuthorMelanie Blaikie has worked as a jewelry designer for many of the biggest names in the industry,

including Gerrard, Asprey, and Tiffany. After studying traditional silversmithing techniques, Melanie discovered silver clay and fell in love with this amazing medium. She is now one of the foremost tutors of silver clay work in the UK and has contributed to Beads and Beyond magazine.
