WebbGood coverage of flower arranging from basic containers to essential equipment, floral selections, etc... I especially liked the guides provided outlining needed supplies for each arrangement from flowers to filler. The easy step-by-step directions are extremely helpful. The book's quality (photography) is excellent. Great selection of ideas from which to choose.2 of 2 people found the following review helpful. This is a beautiful book with some fantastic floral designs in itBy CustomerThis is a beautiful book with some fantastic floral designs in it! I'm a professional florist and am very picky about my floral books, as soon as I opened this book, I knew It would be going on my shelf!3 of 3 people found the following review helpful. Beautiful book of floral arrangementsBy mcernerJust as Welford's previous book for DK on floral arranging, the photos are excellent. The arrangements are very attractive, and there is something here for everyone's taste and any occasion.
